Headline:
Windy with occasional showers, some heavy.

Today:
A windy day with a mixture of sunny spells and showers, these heavy at times with a risk of thunder in the south. Showers merging into longer spells of rain in the north.

Tonight:
Showers continuing in the north and west, as well as close to English Channel coasts, whilst dying out inland leaving clear periods and a rural ground frost.

Tuesday:
Showers around coasts in the north and west, else sunny periods, with a scattering of showers developing inland during the afternoon.

Outlook for Wednesday to Friday:
Showers around coasts, but mainly dry inland with sunny spells by day and patchy frost and fog overnight. Becoming fine in south by Friday, but with rain in the north.
